

Testimonials

"I am pleased that your preaching had a positive effect upon the parishioners of Sacred Heart. While the message of the Church's teaching challenges the modern mentality there is no question that its truth sets people free to recognize and realize God's plan for their marriages and families. God bless your work."

Most Rev. Elden Francis Curtiss
Archbishop Emeritus of Omaha, NE

"Personally I found your message to be sensitive, believable, upbeat, containing some humor, but serious, compelling, faithful to the Gospel and to the Catholic Church. I certainly appreciated having you in our parish again and send my best wishes for God's continued blessings of good health and fruitful ministry. It was good to have you back. Know that you are always welcome."

Father Harold J. Buse, Pastor
Sacred Heart Parish, Norfolk, NE

"Keep up the great work! I so appreciate your willingness to preach this countercultural message throughout the United States. What you are doing on behalf of Church teaching is remarkable."

Kay Ek, Former President, BOMA - USA

"Please keep on talking about what is the truth about our Catholic faith. We had not heard in a long time, this message. We are grateful for someone like you who is not afraid to preach the truth, whether it be on the Ten Commandments, Sacraments or Natural Family Planning."

A PARISH WEEKEND MISSION

Highlighting the "Humanae Vitae" and the Theology of the Body

by
Fr. Daniel McCaffrey

*A spiritual event that will spark
new interest in what it means
to be a Catholic today.*

Parish Weekend Mission

Saturday and Sunday Masses:

The homily, using the liturgy of the day, addresses the inherent goodness of Natural Family Planning and the dangers of contraception and sterilization.

Weekend Seminar:

Following each Mass there is normally a Seminar scheduled at which the priest speaks. Other speakers at the seminar may include Natural Family Planning Instructors, witness couples who use NFP, and depending on local availability, a NFP only Medical Doctor.

Physicians - Physicians are becoming ever more important in establishing the credibility of NFP and helping couples with difficult fertility problems. It would be best to have a local physician lead the presenting team. However, if one is not available, we have physicians from all over the country on call to assist. Below is a partial list:

Fairfax, VA

Father Daniel McCaffrey was ordained in 1958. A year later he departed for the Moslem country of Pakistan where he served for seven years as a missionary. While twenty years on active duty he served in Vietnam, Korea, Germany and Honduras, as well as numerous army installations throughout the United States.

He is presently in the Marriage Apostolate where he has established successful Natural Family Planning programs on the diocesan and parish levels. Father is a priest of the Archdiocese of Oklahoma City.

From Joseph Cardinal Ratzinger:
The crisis the Church is going through, particularly in the United States, is "a weakness of faith" that calls for conversion and "clear moral teaching." (Zenit.org)
